About This Game

Zeta Complex is a hardcore tactical platformer with roguelike elements that challenges your wit and reaction. Find your way through ever-changing labyrinths while not being killed by deadly turrets! A variety of weapons and utility abilities is to help you with that, but you'll have to be cunning and fast-minded to use them to full potential.

Task 10: Power Damages

Can you fix these power outages? Do you still get power?
 Get the word to get the job done.

Tap (left) to move and mouse (right) to click and drag.

Task 11: Power 2 - Power Damages

Can you fix it?

What would you do to fix it? What would you do?

How would you fix it? What would you do?

Task 12: Power 3 - Power Damages

Can you fix it? What would you do?

What would you do to fix it? What would you do?

How would you fix it? What would you do?

What would you do to fix it? What would you do?

What would you do to fix it? What would you do?

How would you fix it? What would you do?

Can you fix it? What would you do?

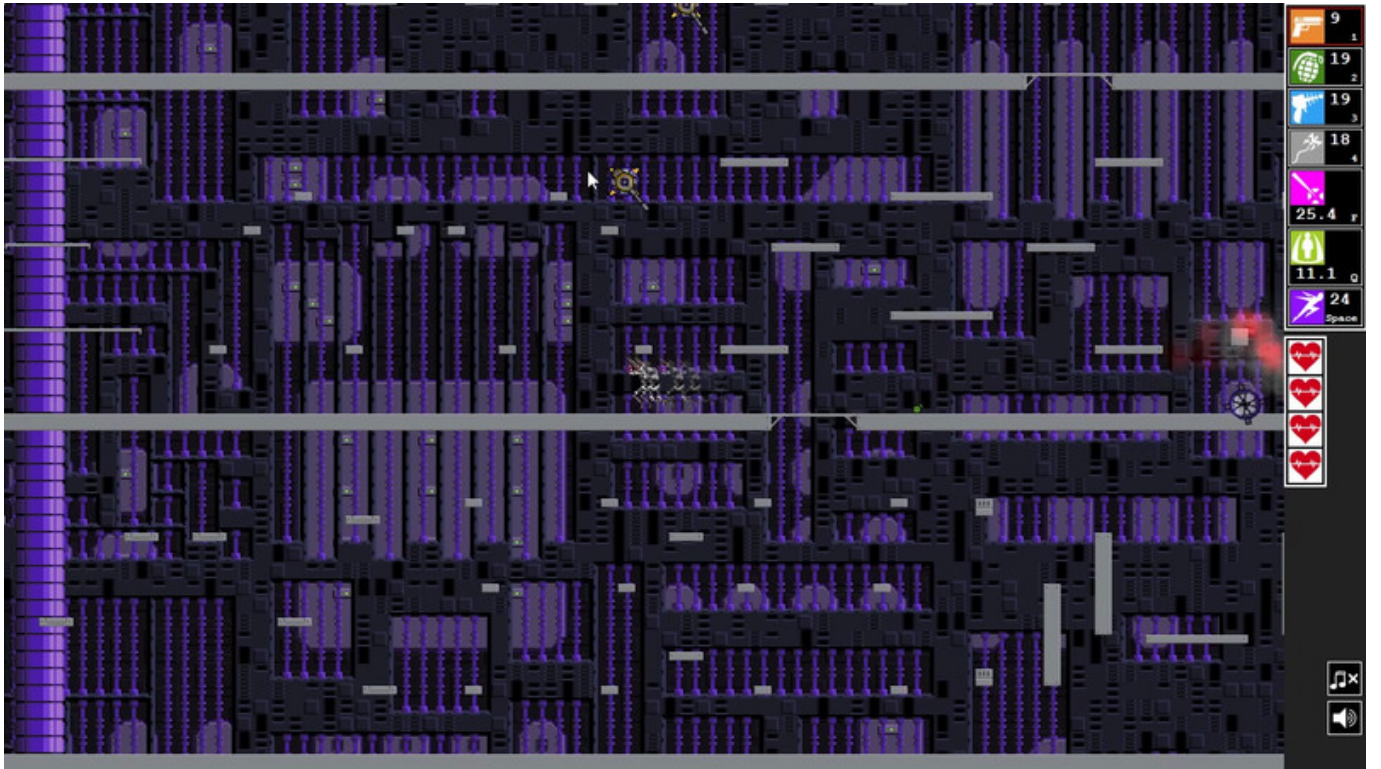

What would you do to fix it? What would you do?
